## WHO we've served

## HOW we do it

Seek inspired solutions.

Apply uncommon integrity.

Create lasting impact.

Build enduring partnerships.

“

Working with this range of clients and such gifted staff and partners has been a privilege. They all share credit for our 20 years of excellence.

– Rachel E. Ramirez, President & CEO

“

I highly recommend [PEP's] energy and innovation in getting the job done.

– U.S. Department of Energy, Office of Nuclear Energy

“

The open door policy and culture PEP created for its employees has made for a positive environment and wonderful work experience.

– Student Manager, Eaker Center Contract
